

Unified Engineering

Engineering

- Drafting / Design
- Finite Element Analysis
- Structural / Mechanical
- Tooling / Material Handling

Capabilities

- Bending, Forming, Rolling
- Installation
- OEM Upgrades
- Site Welding

Welding

- Aluminum / Alloy / Stainless
- Pressure / Structural
- Procedure Development
- Robotic

Fabrication

- Custom
- Material Handling
- Prototyping
- Structural

Testing

- Integration
- Leak & Vacuum
- Live Load
- NDE

Certifications

- ISO 9001:2015
- PEO
- CWB CSA W47.1, W47.2
